

**Community Church of Sandwich
Church Service Cancellation Policy**

The following policy will be used to cancel church services due to the presence of inclement weather for the following reasons:

1. Whenever the town of Sandwich, Carroll County, of the state of New Hampshire has enacted a state of emergency and has asked citizens to stay off the roads.
2. If **we know in advance** that the church parking lot is not **able to be** properly plowed for members to safely park their vehicles
3. If **roads are closed and/or** there is freezing rain or sleet which is preventing the proper preparation of the roadways for vehicle passage

Cancellation will be called by the trustees and/or the pastor.

The pastor will begin the telephone tree as soon as the decision is made to cancel the service and no later than 8:00 am.
