From the Pastor...Becoming Who You Already Are

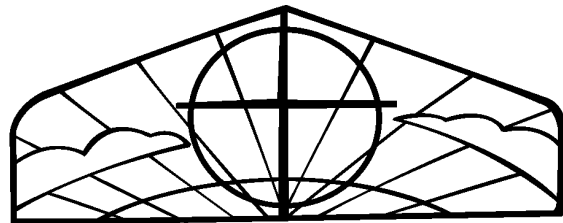

Howard Thurman (1899-1981) an American author, philosopher, theologian, educator and civil rights leader once said, "Don't ask what the world needs. Ask what makes you come alive and go do it. Because what the world needs is people who have come alive."

I don't know about you, but when I was college age, I was influenced by what I was told was needed at that time—teachers and nurses...so I began my college experience as a teenager majoring in education, not because of some burning desire, but I was convinced it was the "logical" decision. Twenty years later, I continued my education, this time to get my Bachelors' Degree in Business, again, not because of any burning desire, but in order to be eligible to receive promotions at the Fortune 500 Company I was working for.

In my youth, my passion was music. I LOVED playing music. At different times between the ages of 25 and 35 I played in a wedding band, a country band, a blues band and I played my folk music in restaurant bar settings. I couldn't believe that I could play music for hours AND get paid for it!! Someone once told me that you've found your niche in life when what you do is something you would do for free if you were independently wealthy. Music was that for me. Later in life, from my mid-forties to the present time, it is ministry.

You say, "Well, I'm retired." That doesn't get you "off the hook" ☺. Of course, you still have passions and talents...it's just part of who you are!

This part of our eternal life is short in comparison to forever... doesn't it then make sense to not let our lives be shaped by what

Thomas Merson (1915-1968) an American Trappist Monk, theologian, writer and social activist, once said, "We are to become what we already are." If we believe that we are God's creation and that the Spirit of God dwells within us, then the person God created us to be, is who we really are. And you can count on God filling each of us with a passion of our own that brings us to life...whether it's helping others in the way of feeding the hungry, helping the sick, encouraging the down-trodden, working with children, working with the elderly, working with people who struggle with mental illness or struggle with addiction. Or maybe your passion is in your creativity, or in your abilities to build or organize. Maybe your passion lies in leading or having a governmental voice or social activist stance. The list is endless. We are all created with passions and talents, and I believe that as long as we are on this side of our eternal life, there is a purpose in being who we are.

So, it is my prayer for all of us as Winter turns into Spring (it is sure taking it's good ole' time!) and Spring turns into Summer, that we will become who we already are...reclaiming what brings us life and then, as Howard Thurman says, "...go do it."

LADIES AID – PAST and FUTURE:

May & June: We had fun crafting last year at our meetings, so we are continuing. Come to our May meeting to help us finish the project we started in April: Paper wreaths made from old hymnals! Then we'll either do more finishing or start a new project in June.

All ladies are welcome! Don't forget to bring your lunch.

Cakes, cookies and pies, Oh My!

The dessert auction sponsored by the Outreach team will take place on June 20th, from 10:00 AM to 12:00 noon. It will, once again, be held in the Craft building, located on the Sandwich Fair Grounds. This year all proceeds will be donated to the Lakes Region Food Pantry in

Moultonbouro. Donations will be used for the children's summer lunch program, the back to school backpack and sneakers program and winter boots for seniors. Please mark your calendars for this fun and important event. If you or anyone you know would be interested in contributing baked goods, please contact Jackie Berry at 603-279-0450 (nhcastle777@gmail.com) or Paula Lauricella 978-660-3091 (pand2dog@gmail.com) . We look forward to seeing you there.

Deacons

The deacons were blessed to offer several activities during Lent this year. Our Good Friday service began with a simple meal of soup and bread. Louisa B., Kate S., and Nancy R. prepared three different soups, which were served by Susan P., Betsy S., Tom L., Jennifer R., and Jackie B. We extend our sincere thanks to everyone for sharing their time and talents. Following the meal, we shared Holy Communion and proceeded into the sanctuary for a moving service.

On Easter morning, while the sunrise service was underway, a team of volunteers prepared our sunrise breakfast. This year's crew included Ray E., Bob M., Peter P., Tony G., Dennis L., Bob S., and Steve G. They remarkably had the kitchen and dishes cleaned before breakfast was even served. Thank you for your service, and thank you to ALL community members who SUPPORTED these activities by attending.

If you would like to share your time or talents as a Liturgist, Greeter/usher, or Fellowship cook/server during our weekly services, please speak with the pastor or any deacon.
