*Unison Opening Prayer:

Loving God, help us come to you as a child who goes to a perfect parent. We know that human parents are not perfect, but You, O God, are perfect in all of your ways. May we embrace the fact that you love us unconditionally. May we embrace the truth that you always want what is best for us, so that means it is not always the easiest. May we seek your guidance, bask in your love and become more of the person you've created us to be. Amen.
